# Washer Toss Tournament

2 to 4 players, singles (2) or partners (4)

**Preparation:** Set the boxes 15 feet apart on even ground.

**Game Rules:**

Players score points by tossing washers into the box or cup (center piece): one point for a washer that lands in the box, and three points for a washer

that lands in the cup. The first person or team to score 21 points wins.

*Optional: Some players require the winning person or team to reach 21 without going over.*

**Game Play Summary:**

Players always throw towards the same box. The team or player that scored points last goes first, throwing all three washers. Points are added up for all washers that land in the box.

**Example:**

If Player 1 throws 3 washers and gets 2 in the cup and 1 in the box, he has scored 7 points. If Player 2 then throws 3 washers and gets 1 in the cup and 2 in the box, she has scored 5 points. Play continues until a total of 21 points is reached by one player or team. The game is over when a score of 21 is reached.

**Miscellaneous:**

When pitching washers, the player's toe or foot must be behind the front of the box. Some variations allow 2 points for landing a washer on the box.
